Initially, B.A. and B.Sc. classes are being conducted from this session. Under B.A., the facility to take the subjects of Sociology, Geography, Ancient History, Science and Home Science, Education, Political Science, Hindi will be available. Later, it has been envisaged to ensure availability of other courses and subjects. In SKV Educations, the girl students will not only be awarded degrees but they will also be motivated for practical examinations and for these, separate classes are being conceptualized. For this, it will be the endeavor of SKV EDUCATIONS that the students studying here set new standards for student success in competitive examinations and contribute to nation building.

Our Perspective

We will try to help those students who are associated with our institute and who will join the institute in future and will contribute effectively in the development of society and nation. We will not just limit ourselves to teaching all the students the subjects chosen by them, but will also provide them with the vocational training necessary for their livelihood, which will help in the development of their personality and develop employability and entrepreneurial qualities in them.

Our Perspective

Our effort is all round development,

Apart from raising the academic standards through innovative and better teaching, we will provide our students with various vocational training and personality development and opportunities to learn various skills which will be conducted in collaboration with reputed institutions and trained individuals. Our objective is to make students steadfast in the face of future problems and challenges and by inculcating moral values in them, make them a representative of their civilization and culture in front of the whole world.

Founder's Desk

Mrs. Kiran Bala Srivastava
Founder

It gives me immense pride and satisfaction to welcome you to SKV Educations.

When we laid the foundation of SKV Educations, our vision was clear — to create an institution that not only imparts quality education but also nurtures values, leadership, and character. Education, in its true sense, is a tool to empower individuals, build futures, and transform society. At SKV Educations, we remain committed to that very ideal.

Our mission is to provide a dynamic and inclusive learning environment where students are encouraged to explore their potential, engage critically, and contribute meaningfully to the world around them. We have strived to create an academic ecosystem where innovation, discipline, and excellence coexist, supported by a team of passionate educators and a well-structured curriculum.

SKV Educations is not just an institution — it is a community. A community where students grow intellectually, morally, and socially, preparing themselves not just for careers, but for life. As the founder, I assure every student and parent that SKV Educations will continue to uphold the highest standards in education and character - building. I invite you to be part of this journey of growth, achievement, and purpose.

Warm regards,
Mrs. Kiran Bala Srivastava
Founder, SKV Educations

Principal's Desk

Dr. Awdhesh Narayan Singh
Principal

It is an honor and a privilege to serve as the Principal of this esteemed institution where education is not just a process but a purpose. At SKV Educations, we strive to provide an environment that fosters academic excellence, personal growth, and a strong sense of social responsibility.

Our goal is to nurture confident, compassionate, and capable individuals who are ready to take on the challenges of a rapidly changing world. We believe that true education is about more than just books and exams — it's about developing a curious mind, a kind heart, and a resilient spirit.

With a dedicated team of educators, modern teaching methodologies, and a student-centered approach, we ensure that every learner receives the support and encouragement they need to succeed — not just in their studies, but in life.

We take pride in our student's achievements and in the vibrant learning community we have built at SKV Educations. I invite you to explore our institution, engage with our vision, and join us in shaping a better tomorrow.

Let us continue to work together — parents, teachers, and students — to uphold the values that make SKV Educations a place of excellence and inspiration.

Warm regards,
Dr. Awdhesh Narayan Singh
Principal, SKV Educations

Manager's Desk

Mrs. Shraddha Srivastava
Manager

It is with great pride and heartfelt gratitude that I welcome you to SKV Educations – a place where learning goes beyond textbooks, and education becomes a lifelong experience.

At SKV Educations, we believe that every student holds limitless potential. Our role, as educators and mentors, is not only to equip them with knowledge but also to shape their character, instill values, and inspire confidence. We understand that the future belongs to those who are prepared – not just academically, but also emotionally, socially, and ethically.

Our institution stands on the pillars of discipline, integrity, and innovation. From the classrooms to the corridors, every corner of SKV Educations is designed to encourage curiosity, critical thinking, and creativity. We are proud of our dedicated faculty, state-of-the-art facilities, and a nurturing environment that allows each child to discover their strengths and passions.

I thank every parent for placing their trust in us, and every student for choosing SKV Educations as a stepping stone to their dreams. Together, let's build a future that's bright, bold, and beautifully balanced.

Warm regards,
Mrs. Shraddha Srivastava
